Prime Beach Hotel;

aims to increase brand value and guest satisfaction, expand the brands it owns, provide the best service in the accommodation sector, and ensure continuous improvement.

As Prime Beach Hotel, we aim to fulfill the requirements of sustainable tourism in our procurement activities, to provide equal, fair, and transparent opportunities to all suppliers, and to maintain our collaborations based on mutual trust.

Within this scope;

To cooperate with suppliers that comply with the management systems established within our business processes,

To continue procurement activities under a win–win policy,

To contribute to the protection of the global and regional environment,

To carry out purchases in line with the company’s financial structure,

To ensure a free and fair competition environment within ethical values among organizations operating in the tourism sector,

To ensure the protection of fair commercial ethics in accordance with national and international legal requirements,

To contribute to regional development by supporting local products and producers, women entrepreneurs, and to sustain cooperation with suppliers based on mutual benefit, thereby reducing CO₂ emissions caused by transportation,

To ensure sustainable development by meeting the needs of the present generation without compromising the ability of future generations to meet their own needs,

We hereby commit to and declare this as our Procurement Policy.
